and
Diana Pistole, RN, MPH**

The ASTDN Program Planning Committee's purpose is to plan, prepare and orchestrate the agenda and activities for the ASTDN annual meeting. The Program Planning Committee has been working very hard on this year's conference entitled "***Public Health Nurses: Nobody Does It Better***" to be held in Oklahoma City, Oklahoma May 4-6th.

We are grateful to the Program Planning Committee members this year Fran Ahern-Smith (New Mexico), Janet Deveny-Edwards (Oklahoma), Sharon Flournoy (Texas), John Hankins (Alabama), Barbara Lay (Texas), Marilyn Haynes-Brokopp (Wisconsin) and Sandra Schoenfisch (Florida) without their hard work the Annual conference would not have come to fruition. A Big thank you goes to Janet Deveny-Edwards for ensuring that we are able to offer nursing continuing education credits for CE Day.

We would like to thank the ASTDN sponsors and exhibitors that supported this year's meeting. Their financial support has helped to make the conference affordable for ASTDN attendees once again this year.

We are certain that you will find the ASTDN annual meeting a memorable experience. We hope that you learn from your PHN colleagues and enjoy each others company as many of us only get this opportunity once a year so let's appreciate our time together !
